Dear Quaker Valley families,

The District has made the difficult decision to close school on May 16, 2023, as Edgeworth Elementary, Osborne Elementary, and the Middle School will now be utilized as voter polling locations. The District only recently received official notification of the addition of the Middle School as a polling location. No students, faculty, or staff will report to school on May 16.

The extensive obligations of being polling locations and allowing public access to three school buildings creates many obstacles, and keeping the voting operations separate and secure from our school operations proved too challenging.

As no “snow days” had to be used this year, the District will still exceed the required number of days and hours as set by the Department of Education. We apologize for any inconvenience this may cause for our families.

All activities, athletic practices, and competitions will proceed as scheduled.

Sincerely,

Quaker Valley School District Administration
